

DIGNITARY AND EXECUTIVE PROTECTION COURSE ANNOUNCEMENT

Executive Resources International is offering a 4-day course in Dignitary and Executive Protection Course in Chattanooga, Tennessee. Through a balanced curriculum of both classroom training and hands-on experience, students will be introduced to the operations of a dignitary & executive protection detail and the dangers of relying on reactive skills alone. This program is focused on developing operational knowledge and the students' understanding of the dignitary & executive protection methodology. This program is not a "Monday through Friday get-certified" program. Students must be prepared for long hours and a high learning curve. This course is hands-on every day!
